To register and advertise an AI Sire the following requirements must be supplied to the National Executive;

- Sires registered name
 - Sires Herdbook number
 - DNA Profile of the sire
 - Fees as prescribed by the National Executive.
 - A signed statement by the recording member that the nominated sire fulfils the criteria of the ARPCBI Standard of Excellence. The National Executive reserves the right to cancel AI Donor Sire status if the recorded AI Donor Sire is subsequently proven not to meet the Standard of Excellence.
-
- * AI Sires previously on the controlled sire listing with no DNA profile on file.
