EXECUTIVE MEETING OUTCOMES

Meeting 15th September 2020

- In line with strategic plan initiatives the penalty fee for animal registrations over 24 months of age was removed and the following approved.
Late registration of animals greater than 12 months \$25.00
[inspection required for animals over 24 months]
- In addition, herds with large numbers of late registrations will apply to the Executive for a determination of fee relief on a case by case basis.
- STOCK & LAND BEEF WEEK to go ahead in 2021 with farm accreditations virtual if COVID restrictions still applied.
- Regional contributions to the strategic plan – specific details to be sent to regions for approval – a list of achievements to be provided in an update of strategic plan activities to members at the AGM
- Red Poll official Facebook – any member interested in updating – request to be at AGM
- AGM will be via zoom with which would also be available via phone
